GUIDANCE

An illustration of two people, a man and a woman, standing in front of a city skyline. The man is on the left, wearing a purple jacket over a grey shirt. The woman is on the right, wearing a white tank top. Two speech bubbles are positioned above them: an orange one on the left and a red one on the right. The background is a light yellow circle containing a silhouette of a city with various skyscrapers.

We have all
the data.

Now we must decide
what order to put
them in.
